Conditional Request For Constructive Assistance

Applicants have amended the claims of this application so that they are proper, definite, and define novel structure which is also unobvious. If for any reason this application is not believed to be in full condition for allowance, applicants respectfully request the constructive assistance and suggestions of the Examiner pursuant to M.P.E.P. sections 2173.02 and 707.07(j) in order that the undersigned can place this application in allowable condition as soon as possible and without the need for further proceedings.

Other Cited References

US Patent 5,922,947 by Hobbins, William B., and US Patent 6,485,689 by Huang et al. have been cited but not applied against any specific claims. Applicants have reviewed the above patents and conclude that they neither anticipate nor render obvious any of our claims.

Very Respectfully,

Jiang Lu
